Ideal for
STORAGE
S P A C E

Maximise your space. Increase efficiency.

The kitchen is the center of the home. Your kitchen should not only be functional, but also wonderfully inviting. Our vast range of products provides innovative, ingenious and lip-smacking solutions to many of your storage problems. ROKANE has answers with the products and we're proud to be at the forefront of new concepts and trends that make your time at home more comfortable, efficient, easy and enjoyable. Satisfaction is felt when a kitchen space puts a smile to the homeowner's space.

At ROKANE, we don't make homes - we simply make homes better!

INNOVATION GETS US STARTED

ROKANE is committed to producing innovative products that change the way people live. The result of thorough research and rigorous testing, all products' are designed for years of dependable performance.

Our products offer the best in contemporary design matched with the latest technologies. Every product displays a sleek, cosmopolitan and modern look that matches your every last taste in the kitchen and home. They are dependable and timeless. ROKANE is a continuous leader in innovation, introducing advanced products that enhance and improve consumer lifestyles. The tradition of quality and innovation continues.

THE ART OF GOOD LIVING

Providing support to furniture users for their individual workflows - that's what our fitting solutions are all about. With Rokane products, we always offer your customers the right choice, ensuring that the opening and closing of furniture becomes an experience - and everything runs like clockwork.

Closing silently and effortlessly

Whether it's pull-outs, doors or lift systems - The function is integrated into virtually all of our fitting solutions. This ensures that closing is always silent and effortless - regardless of the force used or the weight of the lift system, door or pull-out.

Right Choice for every kitchen

When you're designing your kitchen, you need to be sure you have enough storage and the right kind of storage. We can help you make the best use of your available space, designed to suit the way you shop and cook - and anything else you do in your kitchen.
